

360 Degrees of Rotating Storage

Get more information and take it for a spin at CLOSETS.COM

by Lazy Lee

Give your customers an exciting new organization system with the 360 Organizer® FS by Lazy Lee®. This innovative design uses a mechanism to allow for 360 degrees of easy and quiet rotation, while dramatically increasing storage space.

The 360 Organizer® FS by Lazy Lee® is available in three standard configurations and several colors. The shelves are adjustable to accommodate all types of unique storage. The 360 Organizer® FS is perfect for closets, pantries, wine storage and more.

Three Configurations to Fit Every Need!

The Shoe Spinner

- The Shoe Spinner consists of all shelving to maximize the storage of shoes, purses and folded clothing items
- Adjustable shelves are 24"W x 14"D (14 shelves) and 28-3/8"W x 6-1/4"D (16 shelves)
- Fits into a 40" x 40" corner

The Double Hang

- The Double Hang consists of two 24" rods on each side of the system for a total of eight feet of hanging space with shelving on the sides for shoes or other items
- Adjustable shelves are 28-3/8"W x 6-1/4"D (16 shelves)
- Fits into a 42" x 42" corner

The Valet

- The Valet allows for a combination of flexible storage options; long hanging, drawers and shelves to store a wide range of clothing items, shoes and purses
- Adjustable shelves are 24"W x 5-7/8"D (7 shelves) and 28-3/8"W x 6-1/4"D (16 shelves)
- Drawers are 22" deep x 3"-7" high
- Fits into a 40" x 40" corner

All Configurations

- Shelves are adjustable to accommodate different heights of items stored
- System height of 89"
- 360 degree system rotation is achieved by manually rotating the system
- Available in a variety of colors
- Units can be built into a new system or integrated into an existing system
- All standard configurations can be customized to fit your particular needs — examples include pantries with pull-out shelves and baskets, beverage centers with wine cube, etc.
